Don, Thanks again for your outstanding hospitality. Riley and I can't wait to come back next year. Rowan Lake is one of my favorite lakes. I'm not sure where else a 11-12 year old can boat 4 muskies (2009) and 3 muskies (2010) each in a 4 day trip. The new 20 hp motors really helped us cover more water.....and not be late for dinner.
